

WMEA All-State 2020

Wind Symphony Audition Materials

Conductor Score

The purpose of the enclosed conductor score that follows is to provide small school music educators the opportunity to work with their classes in teaching the material. WMEA believes that the exercises are certainly helpful in developing musical skills for all students whether or not they choose to audition for the group.

For a complete list of schools eligible to audition for the 2020 WMEA All-State Wind Symphony, view the list posted on our website. Only those students auditioning on these materials will be considered for the Wind Symphony.
