## All-State Wind Symphony 2020–Eligible Schools

The definition of schools whose students are eligible to audition for the 2020 Wind Symphony has been established as schools with 10-12 enrollments of 750 or fewer as defined by the WIAA official 2016-2020 classification counts. Students from the following schools are eligible to audition for, and if selected, participate in the 2020 WMEA All-State Wind Symphony. If any WMEA-member music teachers believe their school should be on this list and is not, please contact the WMEA office for assistance (please allow at least a week before the audition deadline).

- Students from these schools may audition for just the Wind Symphony by submitting the *Wind Symphony* audition.
- Students submitting the complete *Winds and Percussion* audition will be eligible for Wind Ensemble, Chamber Orchestra, Concert Band or Symphony Orchestra.
- Students submitting **BOTH** auditions are eligible to be considered for ALL groups, except jazz, and assigned to the best group and position possible.
