

WMEA All-State 2018

Voice Audition Materials

We are pleased to introduce our **new SET C audition materials** for grades 9-12. These materials must be used to be considered for the 2018 WMEA All-State Symphonic and Treble Choirs.

Important:

For 2018, we have added a required chorale. You will find it at the end of this packet. This track must be recorded live. The applicant will hear the other three parts while the recording is being made.

Track six is a **required** four measure sight-singing exercise. The sight-singing exercise will be revealed at the time of application/audition upload. The student's performance of the sight-singing exercise will be recorded live on the website at that time. There will be a 45 second review time of the example prior to the recorded performance of the exercise.

In total there are six required tracks that must be recorded separately:

Track 1: Major Scale

Track 2: Major Scale

Track 3: Chromatic Exercise

Track 4: *America the Beautiful*

Track 5: Chorale (Note: Altos and Sopranos sing the Alto line.)

Track 6: Four measure sight-singing exercise.

This is not the application packet. These materials are being provided now for preparation purposes. The entire application packet will be available September 1 online at www.wmea.org, with the deadline October 10.
