

WMEA All-State 2018

Wind Symphony Audition Materials

The definition of schools whose students are eligible to audition for the 2018 Wind Symphony has been established by the WMEA Board as schools with 10-12 enrollments of 750 or fewer as defined by the WIAA official biennial counts. For a complete list of schools eligible to audition for the 2018 WMEA All-State Wind Symphony, view the list posted on our website.

This packet includes audition materials for the 2018 WMEA All-State Wind Symphony. Students submitting their audition containing this material will ONLY be considered for the WMEA All-State Wind Symphony. If you wish to be considered for the other WMEA All-State instrumental groups (Concert Band, Wind Ensemble, Symphony Orchestra, Chamber Orchestra) you must also submit the **Winds and Percussion** audition materials as a separate application and audition. You would then be considered for ALL instrumental groups except jazz, which must also be submitted separately.

This is not the application packet. These materials are being provided now for preparation purposes. The entire application packet will be available September 1 online at www.wmea.org, with the deadline October 10th.

The conductor score can be found separately at www.wmea.org.

**Important: Percussionists must audition on two of the three audition instruments:
Mallets, Snare Drum, Timpani.**
