

Help your school music program in an ongoing way and show everyone that

MUSIC MATTERS

**Purchase our special design license plate
and have a majority of the funds credited
to the school music department
of your choice,
while showing everyone
that you support music.**

It's easy to do.

- Go to www.dol.wa.gov/vehicleregistration/specialdesign.html and follow the instructions to purchase the plate.
- Once you have your registration showing the plate number
 - Write the following information on your vehicle registration form and fax or mail a copy of the form to WMEA as listed below.
 - ◇ **The school (with city)** whose music department you wish to have receive the proceeds from your plate
 - ◇ **Your e-mail address**
 - If your school music teacher is collecting the forms to submit in a batch, you can turn it in to him or her.
 - If your preferred school is not participating, your funds will support music education in struggling schools.
- One month before license renewal each year, you will receive an e-mail reminding you which school, if any, you have designated and letting you know that if you renew and repeat the process the designated school will again receive funds from your purchase.

What is the cost of a MUSIC MATTERS license plate?

- Original cost (State Department of Licensing retains \$12)
 - \$40 plus your normal vehicle license fee
- Annual renewals (State Department of Licensing retains \$2)
 - \$30 plus your normal vehicle license fee

Send a copy of your registration
including the school of choice
and your e-mail to:
