

It's the **Online Yellow Pages**

which reach **School Music Teachers**

and gives businesses **Connections**

than can lead to an **Increased Business Income**

The **Washington Music Educators Association** now publishes its *Directory of Music Educators in the State of Washington* as an **ONLINE** directory. It is accessible to all WMEA members **and the general public** and includes the popular and heavily-used **Yellow Pages** section. **Everyone** now has access to this directory, which includes private instructor information by category.

WMEA members frequently initiate purchases or make recommendations to students.

For a small cost, you can place your name at the click of Washington's music teachers.
